WASHINGTON TIMES BUREAU,

A special grand jury, consisting of Robert Barrett, foreman; M. L. King, G. D. Hopkins, R. E. Gronau, W. F. Evers, W. H. White, T. J. Fannon, R. W. Arnold, and J. A. Eschborn, was summoned in the corporation court this morning. Judge Barley in his address to the jury stated that Commonwealth's Attorney Brom would present several cases to them which were to be considered and report on. The jury after being out several hours returned true bills to the following indictments:

Kills Langford, felonious assault; James McCarthy, felonious assault; Peter Hall, felonious assault; Thomas Ward, burglary; John Thompson, burglary; John Williams, felonious assault; Harry Lewis, felonious assault; Charles Harris, burglary.

Conductor and Engineer Fined.

The corporation court, Judge Barley presiding, has been busy today with cases of Commonwealth vs. C. R. Violett and the Commonwealth vs. John Latin. There are appeals from the decision of Justice L. H. Thompson and arise over the collision between an electric car and a steam engine at the corner of Henry and Cameron streets last month. Violett and Latin, the conductor of the electric train and the engineer of the steam engine, respectively, were fined \$10 each by Justice Thompson in the police court for negligence. J. R. and H. B. Caton represent Violett, and R. D. Brumback and Col. F. L. Smith represent Latin.

Mrs. Annie Dunn, reports to the police that two white men this morning robbed her bread box in front of her store at the corner of Henry and Cameron streets. The men stole eight loaves of bread and five pans of rolls.

Dr. Warfield Leaves.

Dr. Edgar Warfield, who has been attending the session of the Grand Camp of Confederate Veterans at Danville, has returned home.

Mrs. Elizabeth A. Proctor, widow of John L. Proctor, died at her home, 302 North Columbus street, last evening. Mrs. Proctor was a well-known milliner of this city. She is survived by four children, John Proctor, George Proctor, Mrs. J. Fred Birrell, and Mrs. Charles Hartman. Mrs. Proctor was sixty-five years of age. Resigns Post

THIRD ASSISTANT POSTMASTER
GENERAL A. L. LAWSHE.

MILLER ARRAIGNED ON NEW INDICTMENT

John Barton Miller, former secretary-treasurer of the First Co-operative Building Association of Georgetown, who is under indictment on charges growing out of accusations of embezzlement, and the destruction of the books of the concern, was arraigned before Justice Stafford, in the Criminal Court No. 2 this morning on additional charges of embezzlement, on a second indictment returned by the grand jury several months ago.

Miller waived the reading of the indictment and entered a plea of not guilty.

ILL HEALTH CAUSES LAWSHE TO RESIGN

Third Assistant Postmaster General
Will Leave for New Mexico
Immediately.

Owing to ill health, Third Assistant Postmaster General A. L. Lawshe has announced his intention to resign. He has informed President Taft of his intention to retire from the public service, and he will do so without delay.

Mr. Lawshe is suffering from lung trouble, and he will go to New Mexico to recuperate. His affection is believed to be due to overwork, as he broke down with nervous trouble several months ago. He had been working too hard at the time, and though he took a long vacation, he is not yet restored to health.

General regret is expressed among postoffice officials and in official circles at Mr. Lawshe's retirement. It was widely known and popular. It is now known that he could have had the position of Assistant Secretary of the Treasury, to succeed Mr. Reynolds, and he felt that he was able to accept it.

Mr. Lawshe has had a remarkable career. He was a country editor in Concord, Ind. He was appointed to the Government service through Charles W. Fairbanks, and he was sent to Cuba as an auditor in the Cuban postoffice department after the war with Spain. He took an active part in the Rathbone prosecution in Cuba, and gained a reputation for the manner in which he helped straighten out the Cuban postoffice troubles. He was then sent to Manila as auditor for the Philippines, and there became well acquainted with Mr. Taft. He was appointed Third Assistant Postmaster General in 1907, and has made an efficient officer, effecting many second class mail reforms. He lives at 1423 Chapin street. He expects to go to New Mexico as soon as possible.

WIFE OF CONVICT SCREAMS IN COURT

When Tughman Valentine, a young negro butler, was sentenced to two years in the penitentiary this morning by Justice Stafford, the man's wife, who was in court, leaped to her feet with a scream and fell face forward to the floor. After the woman had been removed from the room, Justice Stafford required that the wives and relatives of other prisoners about to be sentenced be excluded from the court.

NEW YORK, Oct. 15.—A suit case containing valuable articles, including a watch set with thirty-two diamonds, was found out of an automobile in which members of the Hivemeyer family were riding in East Newark last night. John Murray, of 167 Chestnut street, Kearny, picked up the case and took it to a store, where he left an advertisement.

He was about to leave the place, when one of the Hivemeyers appeared, with the idea of advertising the loss. The case was restored to him and Murray returned to his home \$100 richer than when he left it.

Bad blood is responsible for most of our ailments, and when from any cause it becomes infected with impurities, humors or poisons, trouble in some form is sure to follow. Muddy, sallow complexions, eruptions, pimples, etc., show that the blood is infected with unhealthy humors which have changed it from a pure, fresh stream to a sour, acrid fluid, which forces out its impurities through the pores and glands of the skin. A very common evidence of bad blood is sores and ulcers, which break out on the flesh, often from a very insignificant bruise, or even scratch or abrasion. If the blood was healthy the place would heal at once; but being infected with impurities which are discharged into the wound, irritation and inflammation are set up, the fibres and tissues are broken, and the sore continues until the blood is purified of the cause. S. S. S. is Nature's blood-purifier and tonic, made entirely from roots, herbs and barks. It goes down into the circulation and removes every particle of impurity, humor or poison, restores lost vitality, and steadily tones up the entire system. S. S. S. neutralizes any excess of acid in the blood, making it pure, fresh and healthy, and permanently cures Eczema, Acne, Tetter, Salt Rheum, Boils, and all other skin eruption of disease. Book on the blood and any medical advice free to all who write.
